

Open your 3rd eye to enter real happiness

Getting start your Odyssey to Health

As you walk into our office, you will first receive a consultation, followed by eastern style physical examinations. A holistic assessment will be made and a traditional therapeutic decision for treatment recommended.

- Energy assessment
- You may get pulse diagnosis
- Tongue diagnosis
- Palpation
- Auscultation
- Image and lab results review.

We encourage you to bring your medical records and labs from previous doctors. This information is valuable for us in eastern diagnosis as well.
